

70,000,000

I often forget that some of my best childhood memories were spent listening, listening to my mother say, "I love you," listening to the birds in the fields, listening as the powerful truck engines roared at the work site, listening to children laughing and to my friend calling my name.

I forget that I know about God because I can hear; hear the sermons at church, the special speakers at the summer tent meetings, and the music that gives wings to what my heart cannot express. Reading the Bible, I meet God, but how would I read if I had not heard my teacher at school?

I often forget how different my life is because I am not deaf.

70 Million Eternally Lost

"[The rich man] answered, "Then I beg you, father [Abraham], send Lazarus to my father's house, for I have five brothers. Let him warn them, so that they will not also come to this place of torment."

Luke 16:27-28

God's love

"The Lord is not willing that any should perish, but that all should come to repentance."

2 Peter 3:9

They Need Eternal Life

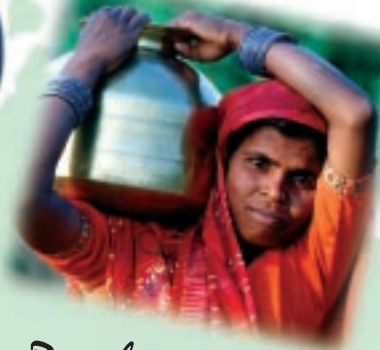

We use Sign Language to share the Gospel with the deaf.

When a national church invites ICCD to use their facilities, we

place two missionaries to work alongside two teachers from that church to establish a Church School for the deaf. Hundreds of these schools are needed worldwide.

Church Schools are a tool, not an end goal, in getting the Gospel to the deaf, so that they too may worship the Lamb on the throne.

Reaching 70 million deaf

in more than 150 countries before it is eternally too late is an enormous task requiring hundreds of staff around the world. ICCD seeks funds to mobilize staff and start the next Church School as soon as possible. As soon as these funds and staff are provided, we are confident that the staff can be sent out immediately to one of the many countries requesting our help.

have never heard

Reaching the Unreached Deaf

The Lord has called ICCD to reach the deaf in the world with the Gospel of Jesus Christ. Making the Gospel accessible to 70 million deaf is an enormous task. God has given us a new strategy, the Church School Model, to enable us to reach more deaf in more countries more rapidly than ever before.

ICCD wants to deploy a large team of trained personnel. We seek to enlist college students for one to two years, long-term missionaries, and nationals around the world. May we share with you how you can help in making this possible?

Eternal Investments

ICCD has partnered with the National Christian Foundation (NCF), a non-profit organization founded by Larry Burkett, Ron Blue and Terry Parker. Since 1982, NCF has helped thousands of people give almost a billion dollars to the ministries and causes they believe in - while enjoying federal tax benefits.

They can help you give more than you imagined possible while retaining your current balance.

Would you allow ICCD to introduce you to NCF so that you can invest more of your money where you really want it to go? Would you consider the needs of the 70 million deaf waiting to 'hear' the name of Jesus for the first time in an ICCD Church School?
